## God Sees the Gold in You, Not the Junk!

**God always sees the gold in us, even though we see the junk.**

-**Jacob** was a deceiver, but God saw the gold in him and called him **Israel** (Genesis 32:22-32).

-**Peter** messed up repeatedly, but **Jesus saw the gold in him** (Matthew 16:18).

We all have **junk from our past and present** that we are not proud of:

- Sexual sins.
- Bad thoughts.
- Abortions we have had.
- People we have betrayed.
- People we have abandoned.
- Money or time we have stolen.
- Ugly things we have said that we cannot take back.

*For all have sinned and fall short of the glory of God.*  
(Romans 3:23 ESV)

Sin means we have missed the mark. The **good news is:**

*But God shows his love for us in that while we were still sinners, Christ died for us.*  
(Romans 5:8 ESV)

*He has delivered us from the domain of darkness and transferred us to the kingdom of his beloved Son, in whom we have redemption, the forgiveness of sins.* (Colossians 1:13-14 ESV)

**God took you from the junkyard so He could show you off! Do not shrink back, shine!**

*You are the light of the world. A city set on a hill cannot be hidden. Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.* (Matthew 5:14-16 ESV)

To show you off, God takes you out of the junkyard to fix every part of you that needs to **be transformed**. **But you must be willing to do your part.**

## The Pathway to Transformation

- Get in a hibachi/**Ohana Group**.
- Deal with your root struggles/**Healing Hearts**.
- **Parents:** Learn how to **lead your children from the tree of life**.
- **Learn how to restore others to the Father/The Kingdom Institute.**

**If you are willing, the Holy Spirit will transform:**

- Your **engine (your broken heart)**.
- Your **brakes** (your tendency to rush ahead of Him).
- Your **steering wheel (direction from His Word/Spirit)**.

(Junkyard Gold continues on next page.)

(Junkyard Gold continues.)

As you are being transformed by God, you will still mess up from time to time. Beware of the spirit of self-condemnation and self-rejection. This spirit whispers, “My Father is going to punish you!” But the spirit of grace shouts, “Call on your Father and His family for the help you need.”

When Adam sinned and hid in shame behind the trees (because he was naked and afraid of God), the Father said, “Adam, where are you? Where are you, my son?”

Do not hide or shrink back from the Father (and His family). Run into His arms of acceptance.

As we advance the kingdom of God in 2024, the enemy is going to try and create offense and disunity. As we advance the kingdom of God in 2024, there is going to be an increase of spiritual warfare and the enemy is going to try and take you/us down.

- LET THE OFFENSES OF THE ENEMY GO!
- STAY IN UNITY AT ALL TIMES!
- LOVE AT ALL TIMES!

*Good sense makes one slow to anger, and it is his glory to overlook an offense.*  
(Proverbs 19:11 ESV)

*Through the hands of the apostles many signs and wonders were done among the people. And they were all with one accord in Solomon’s Porch.*  
(Acts 5:12 NKJV)

*Above all, have fervent and unending love for one another, because love covers a multitude of sins [it overlooks unkindness and unselfishly seeks the best for others].* (1 Peter 4:8 AMP)

**STAY SOLID!  
STAY VIGILANT!  
STAY COMMITTED!**

2024 is going to be an amazing year filled with God’s glory and grace!

**THE GLORY REALM IS HERE!  
IT IS GOING TO BE AN AMAZING 2024!**

On January 3, 2024, my granddaughter told us there was a rainbow on our dining room floor. It was not raining nor was there anywhere the light could come through the windows.

Our five-year-old grandson Owen jumped on the rainbow, and it was **not reflecting on his feet**. I realized it was a **sign and wonder**.

*He who sat there had the appearance of jasper and carnelian, and around the throne was a rainbow that had the appearance of an emerald.*  
(Revelation 4:3 ESV)

Who sat on the throne? When you encounter I Am, you will encounter eternal peace and lasting power. I Am is the origin. I Am is the center of who God is and where creation began — the center of His throne. Everything we need is in I Am. We do not need anything in I Am. This is the eternal gate, the sum of all things, the reality of everything, the place of original design. You must enter in to be aligned and refined to your original design. El Shaddai is in the center of I Am. Mount Zion is there too.

**I AM  
THE THRONE  
THE GLORY REALM  
HEALING, EVANGELISM**

Healing power is flowing out of the throne, I Am, the glory.

(Junkyard Gold concludes on next page.)

(Junkyard Gold concludes.)

I emailed Paul Cox and asked him what he thought of the rainbow image. Paul said it is the **glory realm**.

An intercessor friend said it is a **spectrum of light**. A **rainbow** shows up as a **spectrum of light**: a band of familiar colors that include red, orange, yellow, green, blue, and violet.

One night Paul called and said, “This is Paul. The glorious ones are here.” [The glorious ones are spiritual beings mentioned in Jude 1:8 and 2 Peter 2:10]. Then he hung up. Later when I talked to Paul, he said he didn’t call me.

The **glorious ones** are called doxai in Greek. Doxai are rays of light. So, we believe rays of light are living beings of God’s presence. What is light? **Light is vibration**. Vibration comes in **sound and frequency**.

Is it not interesting that on the day of **Pentecost**, a **sound came like a rushing wind** from heaven. A **vibration**, a **light** came from heaven that rocked those 120 believers who changed the world.

Lord, release the glorious ones, the sound of heaven like a rushing wind!

When I shared the rainbow picture with a friend, Michelle King, she said, “When I touched the image with my left finger, I began to hear this and felt God’s power and glory flowing.”

**Michelle King: Spectrums of light** are flowing in the night. Don’t you know that I light up the night while you sleep at night? I pave the way. I bring about my **spectrums of light to light** the way. **Don’t lose heart** and **don’t get faint** even when the battle seems so hard it can make you feel faint. Trust in me. Lean into Me for I created my butterflies of **spectrum of light** that flow through the night. They have the ability to come forth with great abundance of light which will metamorphose into more great abundance of vision and insight. Lean into Me, and I will begin to show you more expansion of my life than what you have ever seen in the deepest, darkest of night. I have the way. Follow Me into deeper **spectrums of holy light**. **Glory! Glory! Glory! It is a time for My Glory to shine** beyond anyone’s deepest, darkest of night! Call forth for My light is about to create deep, majestic healings of those stuck in the night! IT’S TIME! IT’S TIME FOR ME TO SHINE!

Marisa, would you come up and share about the cylinder you discerned? Marisa is a *feeler*, and she felt something in her hand during worship.

**Marisa Lee: I discerned a cylindrical object** in my hand that had a lot of **power**, a lot of **heat** and **vibrations** to it. **Karen Lewis** helped me discern that it was a **glass cylinder with a bright light emanating from it**.

I asked the Lord why He gave this to me. I felt Him say that **He wanted me to break His light out**.

**Pastor Rob: As a prophetic act, we are going to break the cylinder**. Lord, I take this cylinder in your name, and I break it over my right thigh. Lord, **release your light in this place**. **Release your people into a new level of healing**. Fill them with **gifts of healing**. Heal them of their physical illnesses but fill them with **light to share with their lost family members and friends**. Lord, we declare and decree, that in 2024, you have shifted and lifted us into a **new dimension and new level of healing power for the lost**.

Say: “Lord, I **receive it**. I receive it into my heart. I receive it into my hands. I **declare and decree that I am your warrior**, you child. That all of creation has been waiting for me to arise. Release, Lord, **everything you desire to release in me by faith**, whether I feel it or not when I pass through the throne room. Because, Lord Jesus, **I want to experience I Am**. I want to **experience the burning bush**, in Jesus’ name.”

Do you realize the **throne room is the glory room**? The **glory room is where I Am is**. It is **where the burning bush** is? It is **where eternity is**?

Today is a special day. This is not a normal Sunday. It is the first Sunday of 2024. Twenty-four is two times twelve. Twelve is apostolic government. **It is the government God wants to establish in the land**. He wants to **topple the giants in the land**; the **things that are coming against your families**, drug addiction. **He wants to come and move**. Are you excited? YES!

## **Break Down the Walls! Enter the Gates!**

Karen Lewis  
January 7, 2024

### **Break down the walls!**

Break down the walls!  
Barriers that started on the day of the fall.  
When sin and shame replaced growth and gain.  
The **anointing of unity, God's grace, and impunity.**

Zero-point energy. **God's power and synergy.**  
**Torsion to turn from disease to healing.**  
**Walls thus removed from blocking God's healing.**

### **Lift up ye heads all ye gates!**

**The shifting is happening.**  
Hear the rumble of the tectonic plates.

**All spiritual entities engaged in battle.**  
**Lion of Judah releasing new mantles.**  
**Those not believing now see the possibilities.**  
**Those once victims now take responsibility.**  
**The level of healing reaching new heights.**  
**As faith floods in, fear takes flight.**  
**The army of God stepping into position.**  
**Resulting in unity and manifesting fruition.**

Enter the gates, as the walls crumble.  
New gates appear, new groanings and rumbles.  
All of creation at the edge of her seat.  
**A new season of healing to make the church complete.**

Heaven is **releasing new sound and new song.**  
And those who have **strayed are returning home** to belong again to the family bought by the blood as the **glory of God comes in like a flood.**

And **not a one would He leave behind.**  
The Lion of Judah embracing His tribe.  
Jump on His back, grab hold of His mane.  
**One ride with the King, you will never be the same.**  
The family of God, we all belong.  
Joining in **new unity** and singing the **freedom** song.

## **I Am Coming!**

Karen Lewis  
January 14, 2024

### **Come unto Me, children.**

Come unto me **now.**  
**Drop everything** you're doing.  
And **run to me now.**

For now the **gates are still open.**  
The door is swung wide.  
**Come** unto Me, children.  
**While there's still time to come inside.**

**Prophecies are unfolding.**  
The world has gone insane.  
**I am coming with my cleansing fire.**  
**From sin you must refrain.**

**Come** unto Me, children.  
At my footstool gather round.  
For **I am the King of Glory.**  
**Every knee will bow down.**

For I am the **King of Glory.**  
Every **knee will bow down.**

**Keep oil in your lamp.**  
**My Word in your heart.**  
For **soon I come for my Holy Bride.**  
**With Me you shall depart.**

**Don't get caught unaware.**  
**Don't get caught in Satan's snare.**  
For **now end times are unfolding.**  
**Keys to the time I alone am holding.**

I am coming.  
**I am coming for my Bride.**  
She is my joy. She is my pride.  
I am coming.  
**I am coming for my Holy Bride.**

***Look, I am coming soon! My reward is with me, and I will give to each person according to what they have done.***  
(Revelation 22:12 NIV)

## From Brokenness to a Mighty Warrior

Karen Lewis  
January 14, 2024

My sense is that many people here are experiencing **extreme heartbreak** and it is even difficult to articulate it. You may not even understand that your heart has been broken. I sense it has been many years of **one heartbreak after another that has made this chasm in your heart.**

I want you to know that God says in His Word that **He is close to the broken-hearted.** In this season God says, “Let Me in! Let Me in! For I am your Healer! I am your Provider! I am your Protector!”

Your **broken heart** is going to be turned around. You are **going to minister to people who are broken-hearted**, who have **lost much**, who are in **extreme loneliness**, and **walking around in desperation and grief.**

**No one knows grief like Jesus knew grief.** When He was in the **garden of Gethsemane** and literally sweating blood, He said, “Father, take this cup from me, but for You, I will go.”

The **world is insane now.** People are **desperate and they need you to come and minister.** That **compassion and mercy is going to come out of your own brokenness, your own broken heart, out of your own grief and loneliness.**

**Embrace it by asking the Father and the Holy Spirit to come in and hold you when you have to grieve; hold you when your heart is broken because He will mend you and turn it around. Out of this grief-stricken, broken-hearted person, He will turn you into a mighty warrior on the front lines for Jesus.**

## Ask and Receive His Living Water

Rob Gross  
January 14, 2024

How many of you feel you have been **soiled by the enemy or you are tired and fatigued?** I am sensing a **wellspring here and living water is available to us** (John 7:37).

In John 4 a Samaritan woman comes and asks for water. He replies if she knew He was the Messiah, she would **ask for living water.** Why don't we ask God for living water? **He has living water for us to refresh, restore, and cause us to feel alive in Him.**

The **enemy is trying to put dirt in our well**, so we feel lousy. Jesus tells us in John 10:10 that **He comes to give us life, and life abundantly. He wants us to walk in abundance, a life full of joy.**

The **reality is we are not walking in abundance. We get discouraged. We must learn to fight.** His Word tells us **the battle is the Lord's** (1 Sam 17:47). He has **provided things in His kingdom to allow us to advance — living water in our inmost being.**

**Do we believe God's Word? Living water is here for us. Let us ask and allow Him to fill us with life and abundance.**

## Oasis in the Dessert

Donna Stevens  
January 14, 2024

When Pastor Rob asked if anyone **needed refreshing**, I could just picture **people struggling.** You feel like you are in a **desert**, and it is so **hot**, and you are **struggling and thirsty.** You **do not know if you are going to live.** You are **looking for some kind of hope.** You are asking, “Where is God?”

**God has created an oasis for you.** I ask you to picture yourself in the **desert and right ahead of you is an oasis full of refreshing water.** There is everything you need to survive. **He is providing this for you, so you can live.** You thought you would just **die out in the desert**, but **He has given you life.**

## MVCC Intercessory Prayer

Sundays, 9 am  
Sanctuary, 2<sup>nd</sup> Floor

**Come join us! All are welcome!**

[Paul Cox discerned Gabriel the archangel and he called Pastor Rob. On January 14, 2024, Pastor Rob received this message as a **call to prayer.**]

There is a **new mantel for a new breed**, a new breed **anointed with the apostolic**. It has been planted in the ground, and the **spirit of the Lord is hovering over it just as she hovered over the waters in the beginning**. Something **new is being birthed in the earth**. You will see, just rest in me. Yes, the **horizon lies ahead**, and in that horizon **lies the golden glory of the Lord**.

It is a **new day**. It is a **new beginning**. It is **time to dream big**. It is **time to advance the kingdom, apostolic prophetic foundations, the blueprints for the next move of God**. The **installation, if you will, of an ancient wineskin are now being downloaded; are now grafted into the twofold pastor-teacher wineskins or offices of the Lord**.

**Call the church to intercession. Call the intercessors specifically to their knees and birth with me the new move of God**. You will see **new levels of liberty**. You will see **my spirit set the captives free**. It is the **plan and will of the Lord**. You will see **fresh fire, fresh growth, a fresh move of the Lord**. It is the desire that is in the fire. **You are my burning ones. You will lead and impart and anoint my people to become burning ones for they shall burn with the golden glory of the Lord, and they shall not be stopped**. You shall see for there is a **mantel of liberty, a new beginning, a fresh fire from above. A fresh indwelling of Spirit within**. The **throne room, the glory, the cherubim is the rest of the story**. It is a **throne room company of burning ones**, you see, who **shall take the flag of liberty to the nations of this earth**. Yes, it is **being birthed**.

**Stand fast, stand true. Call out to Me for you shall see new levels of influx of the hand of God upon and through you. Fresh revelation. New insight for the fight**. It is the **sound. Release the sound. Release it! Release it! It is the power of sound. It is the power that will ripple through the earth**. You will see the **glory in March. March 1 and 2 are on the calendar of the Lord**. You shall see the **gate open, and the heavens come down**. You shall see the **real deal and a spark shall be lit. A fire shall be lit, and the wind will blow. A fire shall spread, and people will be taken aback and you will see new levels of liberty**.

The **ship is about to dock. It is all about the clock**. It is the **end time, time for the Lord to move**. Get ready for the **docking and get ready for the release for the alarm shall sound**. The **release of sound shall at first trickle forth and then burst forth as a Baal Perazim\* anointing of the Lord**. Yes, the **horses shall gallop through, and the waves break over your shores, and the doors fly open, and you shall see horses break forth**. There are **too many signs to ignore. Let faith arise. Let faith arise, but rest in Me and you shall see**.

\*Breakthrough. A place of victory gained by David over the Philistines (2 Samuel 5:20).

[Jesus] said, *"Is it not written:  
'My house will be called a  
house of prayer for all nations.'"*  
(Mark 11:17 NIV)

*Then you will call upon me and come and  
pray to me, and I will listen to you.*  
(Jeremiah 29:12 NIV)

## There is a New Breed Arising!

Rob Gross  
January 21, 2024

How many of you watched the Packers versus the 49ers game last night? The Packers are currently the youngest team in the NFL with mainly rookies. There are no pro bowlers on the team. No one expected them to do as well as they did this year.

The Packers are my team and while watching the game, God began to speak to me that there is a **new breed arising**. There is a **new team arising and it is all of us. We are arising**. Your age does not matter. **God is doing something new**. God is **birthing something new** on the earth. **There is a shift to lift the nation of America out of the rift**. There is a **new breed arising!**

The **'G' on the helmet** of the Packers is the **glory of the Lord**. The **glory of the Lord is coming**.

The Packers always **end their gatherings** with a shout: **"One, two, three, FAMILY!"** Family is one of the **cornerstones of our church! FAMILY! FAMILY! FAMILY!** No pro bowlers here. We are an **ALL-SAINTS team**. You are a believer; you are a saint. **We are an all-saints team**.

**What is coming next in the church** of Jesus Christ is an **all-saints movement, not an all-star movement**. Days of **big-time stars will shift to all of us, the saints, in this move of God if you are willing to answer the call of God**.

There is a big difference between an older sports franchise team who desires to put a product on the field so people will come and watch the game and buy hot dogs and hamburgers. **This will shift to a coach who desires to put players on the field for God. This is the apostolic to train you and release you to effect change**.

**God is going to shift us**. It is a shift that **will lift us out of the rift. Our nation is divided**. The church **must stop whacking away at people who don't know Jesus and telling them that they are wrong. We must go out and effect change. The enemy can come against a big church, but he cannot stop the lone warrior, a foot soldier**.

There will be **no pro bowlers, nor all-stars, but just all-saints**. One of the leaders of the Packers, Preston Smith, was interviewed after the end of the game. He said the 49ers played a better game. If we want to get to their level, we **must have a championship training mindset** in off season.

**Are we willing to train, or will we continue with a pastor-teacher mindset?** The pastor-teacher mindset is when we come to church and sit, listen to the message, go home, and there is no change on the earth. **You change, but no one else has changed. This is where the church has been**. But now, **God wants to release us. We are the salt and light of the earth**. Tell your neighbor, "You are a salty person!"

**There is a new breed arising! Love will prevail!** Jordan Love is the Packers quarterback.

## The Lord Tests the Righteous

Rob Gross  
January 21, 2024

**Moses met I Am at the burning bush** in Exodus 3. Psalm 11:5 tells us God tests the righteous. The Word of the Lord says He tested Joseph until God's timing came about.

The **Lord is testing us as a congregation**. The **pandemic was a big test**. It was a **test to see if we would walk in love**.

**I Am is here today. There is fire here**. When we **encounter I Am**, we encounter **eternal peace**. **I Am is the origin**. **I Am is the center of who God is and when creation began**. **I Am is the center of His throne**. **Everything we need is in I Am**. **I Am is sum of all things; the reality of everything; the place of original design**. **El Shaddai is the center of I Am**.

**The fire is here. The burning bush is here.**

**The Lord tests the righteous.**  
(Psalm 11:5 ESV)

**The crucible is for silver, and the furnace is for gold, and the Lord tests hearts.**  
(Proverbs 17:3 ESV)

## Celebrating a New Life in Christ

## Our Values

**We live by God's Word**  
**We are created to worship.**  
**With God, all things are possible.**  
**Prayer is the difference.**  
**We are family and enjoy community.**  
**We are called to make impact.**  
**We are generous like our Father.**

Coffee with the Pastors, January 20, 2024

***Lord Jesus, I confess my need and desire to become your son/daughter. I recognize that you made the way for me by dying on the cross for my sin; the sin that has kept me separated from you. I now acknowledge and receive you as my Lord and Savior. In Jesus' name, amen.***

## Prayer for the Fear of the Lord

Rob Gross  
January 28, 2024

**Pray:** Lord Jesus, **I give you my fears**; the fears that came into my heart from my dad or my mom or both when they raised their voices, raised their hands, and even hit me. Lord, I ask you to please **release your perfect love which casts away all fear** because **I do not want to be an individual who wants to be afraid of man or fear what others think**. I repent of that fear of man.

**I want to fear you, Lord, and worship you with all my heart.** Also, Lord Jesus, like David, **I need to actually fear you. Forgive me, Lord, for not obeying your Word. Lord, here I am. Send me!**

**I come before your throne to repent and renounce apathy, lukewarmness, for not obeying your Word, and not offering the cold refreshing waters that you offer or the healing that you offer others. Forgive me for my apathy and bring it to death, in Jesus' name.**

**Tell Him: "No more, Lord! I am on fire for you!"**

**Do you want to see Hawaii revive? Do you want to see God move?**

Lord, I ask that you **bless each one here today. May your Spirit come now so this will be the hour of power for the Church, not just Mountain View. We lift up the Church of Hawaii. May the fear of the Lord drop on the Hawaiian Islands this hour. We want to see true fear-filled repentance. We cry out for change in the Islands, change in the earth.**

Lord, you are the One who **holds the cards and the solution. Bring genuine change.**

*There is no fear in love,  
but perfect love casts out fear.*  
(1 John 4:18 ESV)

## Rise! Stand Up! Fight!

Linda Quinn  
January 28, 2024

**The Lord's heart is really tender towards you.** A lot of people in this season do not feel that. **He wants you to know He is here.** You may not see there is any kind of solution to your issues or problems. He wants you to know **He waits for you and He is not floored by what is happening.** But He wants to **encourage you to rise and stand up and fight.**

## Break Ties with Rejection

Rob Gross  
January 14, 2024

**Pray:** I reject my rejection. I receive your love, Lord Jesus. I break to death on the cross the mindsets that I have been having that I have been discarded. **Forgive me, Lord, for coming against myself.** You have crowned me with lovingkindness, so I am so sorry that I have been coming against myself and rejecting myself.

**I forgive those who have said unkind things to me. Forgive me for buying into the lie that I am rejected based on what they said.**

**Lord, I want to believe what you say about me.** I thank you for this moment. I break ties with rejection in its every form, in Jesus' name.

Jocelyn Ching, January 7, 2024

In 2023 I sold my family home in Kaimuki and with my brother moved to Wahiawa with the intention of later moving to the mainland. The plans to move to the mainland did not work out.

After a year, we decided to move again. We applied for a unit at Meheula Vistas and officially moved from Wahiawa to Mililani Mauka.

Thank you to those of the **MVCC family who prayed for us.** Also, a **special thank you to David Hokama, Claire Yamashiro, and Beverly Chang** who helped us with the move.

It has been seven days of total peace and quiet. **Thank you, Jesus! All is good now.** It is a big change for us and a **new beginning.**

### Journey to Healing

Colin Young

December 24, 2023

Three years ago, I had three types of cancer — bladder, prostate, and appendix. In the beginning it was difficult having the news I had cancer. I want to thank TC Vegas for all her encouragement to follow the Lord and to have faith, to trust and worship Him. It was an experience going through each day. I also want to thank all the intercessors of Mountain View for your prayers because prayers do work. It has been quite a journey.

I would like to thank my wife Sheree, too. You know, we said those marriage vows for better and for worse. She has been there every time for my chemo treatments, doctors' appointments, and took care of me after surgery. I am blessed she has been by my side.

In my journey I knew I needed to get closer to the Lord, pray more, and have the faith He would heal me. It was frustrating at times. Right now, I have gotten rid of two cancers — appendix and prostate. Although my bladder is currently clear, I still must go through more chemo treatments.

I have faith and am trusting the Lord. I thank the Lord so much! I declare that I am healed of all cancer!

*The testing of your faith produces perseverance.  
Let perseverance finish its work so that  
you may be mature and complete, not lacking anything.

### Praise Jesus for Healing My Ankle

Lovey Denis

January 3, 2024

I injured my right ankle when I stepped backwards off a ramp and fell. It was very painful with much swelling. On December 24 after prayer, the ankle felt great. The next morning, it also felt much better. I would say it was 80% better with only mild tenderness and swelling. Praise Jesus!

*“He himself bore our sins” in his body on the cross,  
so that we might die to sins and live for righteousness;  
“by his wounds you have been healed.”*

### No More Ear Static

Donna Stevens

January 18, 2024

I had been sick with a cold that was causing an occasional **loud irritating static in my ear** when I needed to speak loudly or if the environment around me was too loud. During worship that Sunday I had to use ear plugs or leave the garage because the **static in my ear was constant**.

When **Pastor Rob called up those in need of healing**, I knew I needed to get up there right away. **He prayed for my ears to open, and I thought I felt a ‘pop’ like when you pop your ears to relieve pressure**.

Although the static did not go away immediately, I noticed **within an hour that I was not experiencing any static in my ear**. I did not experience any more static for 24 hours and only once the next day. After that, there was **no more static**.

**Praise the Lord for my healing. No request is too small or big for our God. We just need to ask.**

*Ask and it will be given to you;  
seek and you will find;  
knock and the door will be opened to you.  
(Matthew 7:7 NIV)*
