Cancer Free One Year Later

September 16, 2022

**Man returns one year later to thank God for his healing from what the doctors had called a terminal illness.**

I had breakfast this past Friday, **September 16, 2022**, with this man **who wants to remain nameless**. He had a diagnoses of **bone cancer in his neck, right leg and pelvis** and was told it could not be cured. It was terminal.

A year ago, he **attended one of our church services when it was held in the warehouse**. When the call came to receive healing, he walked through the prayer tunnel, the pool of Bethesda.

**The following day he went and got a PET scan. Two days later the results came in. The cancer was completely gone. One year later he remains cancer free.**

### Healing at the Pool

*Sometime later, Jesus went up to Jerusalem for one of the Jewish festivals. Now there is in Jerusalem near the Sheep Gate a pool, which in Aramaic is called Bethesda and which is surrounded by five covered colonnades.*

*Here a great number of disabled people used to lie—the blind, the lame, the paralyzed. One who was there had been an invalid for thirty-eight years. When Jesus saw him lying there and learned that he had been in this condition for a long time, he asked him,*

*“Do you want to get well?”*

*“Sir,” the invalid replied, “I have no one to help me into the pool when the water is stirred.*

*While I am trying to get in, someone else goes down ahead of me.”*

*Then Jesus said to him, “Get up! Pick up your mat and walk.”*

*At once the man was cured; he picked up his mat and walked.*
