

## Kingdom Moments

**Captive Set Free**

November 11, 2023

We had just finished our Kingdom Institute conference, held November 9-11, 2023. It was **prophesied that an earthquake would hit the building and it did. The glory fell.** It was off the charts.

Some people left about 5:45 pm while others lingered to about 6:20. **I had left and while driving away, received a phone call from my cousin who is an inmate in Halawa prison, which is behind the MVCC building.**

**My cousin said to me, “Did you feel the earthquake?”**

I said, “No, I did not feel the earthquake.”

He said, “Some of the other **prisoners and I felt it because the walls were shaking. What is going on? I feel all this warmth.**”

I began to **share with him what I learned over this weekend** and said, “**Would you like to receive Jesus?**”

He said, “**Yes, I would.**”

**So, he did!**

**I called his mother, who is a believer, and we are praising and thanking God and rejoicing in the Lord!** I plan to **visit him soon** when I can get on the visitor list.

*The Spirit of the Lord is upon me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim liberty to the captives and recovering of sight to the blind, to set at liberty those who are oppressed, to proclaim the year of the Lord's favor.*

(Luke 4:18-19 ESV)
