Doctor said, “It was a Miracle”

I just want to give the prayer team a praise report. My husband had his surgery yesterday on his left shoulder rotator cup. Today he had his post-op visit with the surgeon and the surgeon showed us pictures of his shoulder. My husband had three tears but the **doctor said, “It was a miracle how the surgery went.” He was amazed.** So I want to thank you all for **coming into agreement with supernatural healing and recovery. There is power in prayer!**

*Surely he has borne our griefs and carried our sorrows;
yet we esteemed him stricken, smitten by God, and afflicted.
But he was pierced for our transgressions;
he was crushed for our iniquities;
upon him was the chastisement that brought us peace,
and with his wounds we are healed.
(Isaiah 53:4-5 ESV)*

*This is the confidence that we have toward him, that if we ask
anything according to his will he hears us. And if we know that
he hears us in whatever we ask, we know that we have the
requests that we have asked of him.
(1John 5:14-15 ESV)*
