

Kingdom Moments

Audria Moorefield embraces her family after the Lord miraculously restores her hearing at the pool of Bethesda.

On the 28th of August, my family and I attended church as normal. At the end of the service, **I felt the pull of the Lord to get prayer for healing in my ear. It's been perforated since April of 2021, and I've lost significant amounts of hearing in it. My daughter went up for prayer with me, just wanting to support her mom. Pastor Rob began to pray for healing, and I immediately felt the Lord touching me.**

Tears began to run down my face as I just felt **God's loving embrace. Pastor Rob started to snap his fingers near my ear as he prayed for it to open, when suddenly the snapping got louder and louder! I burst into tears and just stood there as my daughter hugged me. I couldn't believe the snapping was so loud in my ear! It was amazing!** Whether the hole is gone or not, I do not know. But **since that Sunday I've been able to hear so much more! And that in itself is a tremendous blessing! God is so good!**

Healing in the Pool of Bethesda

I've had **lingering chest pains by my heart since contracting COVID** during Mother's day weekend in May. **I lost nearly half of my chest strength** since then and have never fully recovered. I used to bench press 300 lbs. before COVID. Now, four months after recovering from COVID, I'm barely able to bench press 185 lbs.

As Pastor Rob invited us to come forward to **receive healing in the pool of Bethesda, I felt a rush/wave come over me as if I were walking into an ocean break. I couldn't help but weep and took many deep breaths. When I returned to my seat, there was a tingling sensation on my chest that continued for at least 10-15 minutes.**

I awoke the following morning with no chest pain at all! I'm going to the gym as soon as my muscles recover from my last chest workout to see where my max bench press is at.

I wanted to say **thank God for Pastor Rob and our church and y'all's obedience.** I was prayed over as well to take Jesus seriously. I believe this is the **beginning of the turning of the tide for many things I've struggled with all my life! I love Jesus and I love our church! Mahalo so much for doing what y'all do!**

Healing at the Pool

Sometime later, Jesus went up to Jerusalem for one of the Jewish festivals. Now there is in Jerusalem near the Sheep Gate a pool, which in Aramaic is called Bethesda and which is surrounded by five covered colonnades. Here a great number of disabled people used to lie—the blind, the lame, the paralyzed. One who was there had been an invalid for thirty-eight years. When Jesus saw him lying there and learned that he had been in this condition for a long time, he asked him,

“Do you want to get well?”

“Sir,” the invalid replied, “I have no one to help me into the pool when the water is stirred. While I am trying to get in, someone else goes down ahead of me.”

Then Jesus said to him, “Get up! Pick up your mat and walk.” At once the man was cured; he picked up his mat and walked. (John 5:1-9 NIV)
