Praise Jesus for Healing My Ankle

Lovey Denis

January 3, 2024

I injured my right ankle when I stepped backwards off a ramp and fell. It was very painful with much swelling. On December 24 after prayer, the ankle felt great. The next morning, it also felt much better. I would say it was 80% better with only mild tenderness and swelling. Praise Jesus!

*“He himself bore our sins” in his body on the cross,
so that we might die to sins and live for righteousness;
“by his wounds you have been healed.”*

(1 Peter 2:24 NIV)
