THIS IS THE KAIROS TIME OF THE LORD

I hear the whisper from the mountain tops and the Lord sees a view of the mountain, the mountain of the Lord. He would say to you, “Cast your hukilau net into the ocean for a great catch, a great harvest of fish is upon you. For many years you have persevered, you have loved on me,” I heard the Lord saying. “You have gone through many struggles and many battles, and have faced many things that would have caused you to quit, but you have persevered in the face of the enemy.”

I say to you today, “NOW IS THE KAIROS TIME OF THE LORD for this church to grow and for it to begin to connect with other churches to expand and share what I have entrusted to you for many years and many seasons. The net that I am releasing to you this day shall begin to converge and connect with other nets that I have been also preparing for the massive harvest that is coming to the Hawaiian Islands. Get ready for a massive catch. Do not say this is impossible, for with God all things are possible.”

Twelve take the plunge to follow Jesus.
WATER BAPTISM, August 20, 2022

You were all baptized into Christ, and so you were all clothed with Christ. This shows that you are all children of God through faith in Christ Jesus. (Galatians 3:27 ICB)

SHABBAT BLESSING NIGHT

*Then all the people departed each to his house,
and David went home to bless his household.*

(1 Chronicles 16:43 ESV)

GET READY!

There's a grid. There is a large, large grid and it's glowing because it is red hot, and it's over the fires of Sheol. People are on top of the grid. Some have fallen through, and some are holding on to the rails on the grid. Greater love has no man than he lay down his life for his brother. Have I not laid down my life for you that you are saved from this grid?

These are serious times and I have called upon you to lay down your life for your brothers and sisters. Let them not fall through the grid. I am opening your ears to hear me accurately to drown out all the voices of the world, all the voices that would come and tell you, "Oh no, that's not God. Oh no, that's not the leading of the Holy Spirit."

Hear me! I am opening you to greater discernment. These are serious times. You are citizens of heaven, not of this world. You are here for my agenda. Are you ready? Do you really give me your heart? Do you really lay down your life for Me cause GET READY! GET READY! GET READY! The wave of our revival is coming in and my fire is landing on each and every one of you. Lay down your life for your brother for there is no greater love. My love is the greatest love of all and I love you and I have called you to do the impossible, the impossible. For greater am I in you than he who is in the world. Come to me as little children and listen to my voice and I will lead you for you are called to lay down your lives.

Karen Lewis, August 14, 2022

We know what real love is because Jesus gave up his life for us. So we also ought to give our lives for our brothers and sisters. (1 John 3:16 NLT)

Multitudes, multitudes in the valley of decision! For the day of the Lord is near in the valley of decision. (Joel 3:14 NIV)

PARADIGM SHIFT

Things are going to shift today. Sometimes we only see the Lord, what the Lord is up to, who the Lord is, what He is able to accomplish, and what He is doing. We're so used to the old way that we don't see Him in a new light or the new thing He is doing. **God is going to shift us today.**

So I want you to put your hand on your head, open your brain. Raise your other hand, put a stick of dynamite in it, put it into your head, close your scalp and say, "Lord, blow up all of my paradigms." If we're going to move into the new things that God is doing in the islands, **we have to shift our thinking.**

Pray with me: "Lord Jesus, open the portals of heaven this morning, come now as the lion of Judah for you are not a tame lion. Come and do what you do, Lord Jesus. We're here this morning to worship you in Spirit and in truth, to love on you, to praise you. Remove everything that would be a distraction. I park all my concerns at the door and I fix my eyes on you." I speak to my spirit man and I say worship the Lord, praise the Lord. Let's worship Him.

otherwise the wine will burst the skins,
and the wine is lost and the skins as well;
but one puts new wine into fresh

*God is spirit, and those who worship
Him must worship in spirit and truth.*

SHATTERED GLASS CEILINGS

I saw the notes coming out of the singer's mouth as she was releasing the song. They had little wings that came out of the notes. On the top of the notes the staff turned into arrows. They went up straight into the heavenlies where there were all these glass ceilings, one after another glass ceiling on top of another glass ceiling, so on and so forth. The notes went up as she released the song with a heart of mercy and tenderness before the Lord and the ceiling started to shatter and it went to the next ceiling and it shattered. Kind of like the way tempered glass just shatters. All this glass shattered and spread out. It literally sent shivers up my spine. It was so powerful.

I knew the Lord was showing me **He is breaking off all of the glass ceilings, all of the paradigms of our mind; the religious traditions, the legalism, all the rules and regulations that man has placed upon himself** so that we can soar high, high, high up into the heavenlies to do the work, and be able to partner with Him and His power. It was so powerful and I felt that this is where we are. This is the season we are in and coming to.

“LORD, DO WITH ME WHAT YOU WANT.”

“Lord, Shift Our Thinking”

Dr. Paul Cox, MVCC, August 28, 2022

Pray: “Lord, shift our thinking.” The Lord wants us to have a paradigm shift.

We have made church all about information, but ultimately it is all about His power. I am here to tell you that what we are doing is not a revival nor an awakening, **it’s a revolution of God’s power!**

We are seated with Christ in the heavenly places, but everything fell at the fall. All these dimensions fell and we are all really a mess. We are to understand we are so clogged up because of generational sin, because of our own issues, of life’s circumstances that He cannot flow through us in the power He wants to flow through us.

I have prayed, “Lord, do with me what you want.” As the Apostle Paul wrote of his trials and perils in 2 Corinthians 11:24-27, we have suffered. Yet, I have known God is doing something. My desire is for people to be transformed by the love of Jesus Christ and changed, healed, and delivered to move into the fullness of their calling not knowing what would happen to Donna and me and our children. John the Baptist said in John 3:30, **“He must increase, but I must decrease.”**

Every one of us is dealing with issues in our lives, issues with our friends. There are stories that are horrible. The truth is we need to move into a position where the power flows through us and we stand with Christ seated in the heavenly places so we are ruling and reigning and setting people free.

It’s not about me, but about all of us operating in His power. The fact is we can transition to operate in His power. This is about us moving into a position where we finally have victory over our enemies and we are ruling and reigning.

I have to tell somebody. God does the impossible. You will be changed by His love and then He will clean you out so you are a new person. So you finally get along with your wife or husband, children, and friends. Finally you won’t be miserable to live with. You see, we all need to be cleaned out.

We have been praying for decades, centuries for relief from the misery of mankind. We, who are Christians, contend and believe that one day He is coming in His power and He is going to do something and take care of those who come against His kingdom and **today is that day!**

*For the kingdom of God is not a matter of talk but of power. (1 Corinthians 4:20 NIV)
Now have come the salvation and the power and the kingdom of our God,
and the authority of his Messiah...(Revelation 12:10 NIV)*
