## With God All Things are Possible

(Series: Home Values)

Pastor Rob Gross

November 5, 2023

***With God all things are possible.*** (Matthew 19:26 ESV)  
God said it, so it is true. It is up to us to believe what Jesus has declared is true. **God is a miracle worker!**

**With God there are no limitations.** *Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us.* (Ephesians 3:20 ESV)

**Can God part a sea in two? Moses stretched his rod over the sea, and the Lord opened up a path through the sea, with walls of water on each side.... So the people of Israel walked through the sea on dry ground!** (Exodus 14:21-22 TLB)

**Can God bring forth a nation in a moment? Shall a land be born in one day? Shall a nation be brought forth in one moment?** (Isaiah 66:8 ESV)

The **great miracle of Israel's rebirth in May 1948** is that it happened just **three years after the Holocaust ended**. From the ashes of Shoah (catastrophe), the Jewish people suddenly arose and re-established sovereignty in their ancient homeland.

**Can God protect us when we are in a dangerous situation?**

Journalist Michael Greenspan met with Yom Kippur War tank commander David Yaniv, who recalled how he and his **men were miraculously saved when a mysterious wind exposed thousands of explosives in a minefield in which they were stranded.**

**Can God raise someone from the dead?** In John 11:38-40 **Jesus raises Lazarus from the dead** after he had already been in a tomb for four days. Jesus tells his sister Martha, "Did I not tell you that if you believed you would see **the glory of God?**"

**Can God rescue a single mom from financial ruin and emotional devastation?** In 2 Kings 4:1-7 through Elisha, God provides for a widow facing loss of everything by **supernaturally filling** all her jars with oil to pay off her debts and enough for her and her sons to live on the rest of their lives.

**Can God restore a woman declared brain dead?**

Michael Kauhi gets a call that a **relative had hung herself**. He quickly goes to her and takes her down, rushes her to Castle Medical Center where she is **declared brain dead**.

**He declares, "Wake up, "In Jesus' name!"** She wakes up and her father shouts, "There is a God!"

**Stronghold Alert! Beware of the spirit of unbelief: I believe God does miracles for others, but not for me or through me.**

*Jesus said to them, "A prophet is not without honor, except in his hometown and among his relatives and in his own household." And he could do no mighty work there, except that he laid his hands on a few sick people and healed them. And he marveled because of their unbelief. [lack of faith].*

(Mark 6:4-6 ESV)

(With God All Things are Possible continues next page.)

(With God All things are Possible concludes.)

**Let's repent of our unbelief and lack of faith.**

**Jesus said to move mountains (to see miracles) all we need is mustard seed-sized faith.**

**Mountain moving faith** is the size of a mustard seed.

- Faith is the substance of things hoped for.
- Faith is the evidence or proof of things not seen.
- Faith is an unwavering trust in God no matter what the circumstances.

*Now faith is the assurance (title deed, confirmation) of things **hoped for (divinely guaranteed)**, and the evidence of things not seen [the conviction of their reality—faith comprehends as fact what cannot be experienced by the physical senses]. For by this [kind of] faith the men of old gained [divine] approval.*  
(Hebrews 11:1-2 AMP)

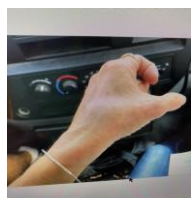

The enemy knows that the **Lord honors mustard seed-sized faith**, so he comes to steal, kill, and destroy your internal capacity to hope.

2<sup>nd</sup> degree burn

Holy Spirit light

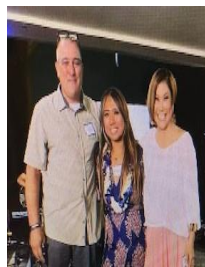

Four days later

**Pastor Missy Nakata** had a **2<sup>nd</sup> degree burn** on her wrist. As we prayed for her, she fell under the **anointing of the Holy Spirit and a light surrounded her. Four days later** she sends me a picture of **her healed hand**.

**Reis Yonehiro**  
"I want to go on the mission field."

Reis was a new believer when he came and desperately asked for prayer. He said he wanted to go on the mission field and get married, but was recently diagnosed as having an STD. I simply prayed, "Lord, please heal Reis!" He immediately starting shouting, "**I am healed!**" He went back to his doctor and insisted on getting retested. Two weeks later, he said he was **completely free of STD**.

### **Cancer free!**

At our Easter service, April 9, 2023, **Jeff Kimbrel** for his son **Dezmond**, **April Pennington** for her mom **Chita**, and **TC Vegas** all testify and give thanks to the **Lord they are cancer free**.

When we are filled with hopelessness or doubt, we will not believe God to do the impossible because we are afraid of being disappointed.

**When we are filled with hope, we will have faith or an "unwavering trust" in God, even when things are not going well.**

In MVCC we value unwavering faith in our heavenly Father's ability to accomplish the impossible things He has called us to accomplish.

**Can we accomplish our vision and mission statements without God? Faith in God to perform the impossible is absolutely essential, if we are to fulfill our call and purpose as a church family.**

**God will accomplish what concerns you.**

*Though I walk in the midst of trouble,  
You will revive me;  
You will reach out with Your hand  
against the wrath of my enemies,  
And Your right hand will save me.*

*The LORD will accomplish what concerns me;  
Your faithfulness, LORD, is everlasting;  
Do not abandon the works of Your hands.*  
(Psalm 138:7-8 NASB)

**God is faithful. He will not abandon you! Will you trust Him in the dark valleys when times get tough? You will never know that God can do the impossible if you give up on Him prematurely.**

**The Lord wants to strengthen your internal capacity to believe in Him for the impossible by growing you in Christlike character through trials.**

**The Lord wants to pump you up!**

*Let endurance have its perfect result and do a thorough work, so that you may be perfect and completely developed [in your faith], lacking in nothing.*

(James 1:4 AMP)

## Something is Brewing Offshore

November 5, 2023

**Pastor Rob:** This is a **significant week** not only for Hawaii, but also for a **release of something that will touch other nations**. This word came into my heart. It has been **resonating in me since April**. I believe this is for **Hawaii**.

*It is eleven days' journey from Horeb [Mount Sinai] by the way of Mount Seir to Kadesh-barnea. In the fortieth year, on the first day of the eleventh month, Moses spoke to the people of Israel according to all that the LORD had given him in commandment to them, after he had defeated Sihon the king of the Amorites [giants in the land], who lived in Heshbon, and Og the king of Bashan, who lived in Ashtaroth and in Edrei. Beyond the Jordan, in the land of Moab, Moses undertook to explain this law, saying, "The LORD our God said to us in Horeb, 'You have stayed long enough at this mountain. Turn and take your journey, and go to the hill country of the Amorites and to all their neighbors in the Arabah, in the hill country and in the lowland and in the Negeb and by the seacoast, the land of the Canaanites, and Lebanon, as far as the great river, the river Euphrates. See, I have set the land before you. Go in and take possession of the land that the LORD swore to your fathers, to Abraham, to Isaac, and to Jacob, to give to them and to their offspring after them.*  
(Deuteronomy 1:2-8 ESV)

This is the **eleventh month**. This Saturday is the **eleventh day of the eleventh month**. I believe we will see at the conference an **outpouring of God's power** and there are going to be some **major shifts coming to the body of Christ here in Hawaii and beyond**.

It is all about the land, isn't it? Isn't that what the battle going on in the Middle East is about right now? It is **about God's land and God's people**.

**Do not be scared or frightened** about what is going on in Israel. It is a humanitarian crisis. We need to have **compassion for the innocent** who are caught up in all of this. We also need to be **wise and not side against the people of Israel**. Be very careful!

*Now the LORD said to Abram, "Go from your country and your kindred and your father's house to the land that I will show you. And I will make of you a great nation, and I will bless you and make your name great, so that you will be a blessing. I will bless those who bless you, and him who dishonors you I will curse, and in you all the families of the earth shall be blessed."* (Genesis 12:1-3 ESV)

This is **serious business**. There is a **great war in the media for the minds and hearts** of the people. Remember **God is in charge. Trust Him!**

Karen, you are to give a message today.

**Karen Lewis:** I am **moving my kingdom forward**. I am beginning to **establish a beachhead in the camp of the enemy**. The **line has been drawn**. Decisions! Decisions! **Decisions must be made!** For my people, it is time to make your decision this day. **Whom you serve? Where your heart is? Where your purpose is?** Will you **step into the destiny** I have for you because **My timeline, My kingdom timeline is upon you now?** There is **no turning back!** **Grab ahold** of all that I have for you; all I have given you: the **authority, the anointings, the giftings**. It is time to **move into the kingdom, in all its fullness, in all My glory**. I am equipping you this day so **choose whom you serve today**.

**Pastor Rob:** Lord Jesus, please **forgive us** in the Hawaiian Islands. We have tended to be a **passive, timid people** and we **don't like to stir things up**. Lord, we are coming to understand **this is the hour of power** for **You are calling us to step out by faith and stir things up, to reach out to people who need to be reached out to, to see You move**. Forgive us, Lord, because **we want what the early church had** — that is **boldness**. **Release today the spirit of boldness in this place! Release faith! Release hope!** Lord, we recognize something is **brewing offshore and it is coming**. It is going to be this coming weekend, November 11-12. **We want to step into it. We want to partner with you for the Hawaiian Islands, for our loved ones, in Jesus' name.**

### **Rod of Power Released**

Rob Gross

Received April 7, 2023

You knew this wouldn't be easy. You knew this wouldn't be a walk in the park. God has given you **sight for the fight**. The **land will quake as the Lord God awakes for He has been training the remnant to fight**. You are **soldiers of light that have been equipped for the fight that lies ahead**. You will be **overshadowed by the Glory cloud of God's might**. It is good that you and Paul Cox have not despised small beginnings but have planted the seeds of the kingdom in the land. **The throne room of God will perpetually hover over you.**

The Lord releases a rod of power for this hour to topple enemy power. The rod will unlock a brand-new flock of ordained warriors that the Lord has reserved and set apart who have not bowed their knees to Baal. Resurrection Sunday, April 9 will release resurrection power for it is the 11<sup>th</sup> hour and it is time for kingdom power. For the Lord has bestowed upon you not only the **rod of power in your right hand** but He has also given both of you the **shield of faith on your left hand**.

The war has begun. You are entering the **end times battle for the souls** of men and women. Watch what transpires in Israel for the world shall begin to come against the people of God in the land. Now is **not the time to shrink** away and hide in the winepress but **arise and shine for the glory of the Lord has risen upon you**. **Angelic provision for the vision shall be multiplied in the days ahead**. The time of playing church is over. **A line of demarcation has been drawn**. You are either with the Lord or you are not. Oh, **valiant warriors, I will multiply the little I have entrusted to you and defeat the Lord's enemy.**

### **Massive Release of Glory**

Rob Gross

Received September 13, 2023

There are waves amassing offshore. These are **waves of power, power for the hour** from He who is a strong tower. Waves of power will crash upon the Kingdom Institute. Get ready for a massive release of glory November 9-12. In fact, you will begin to feel the power on **November 8** for that will be a day of **new beginning**. **Eleventh month** will signify the **eleventh hour**. Read Deuteronomy 1:2-11 for on the **eleventh day of the eleventh month the Lord instructed Moses** to leave Kadesh-barnea **to head towards the promised land**. The **8<sup>th</sup> day represents new beginnings**. Once again **waves of power will hit the Kingdom Institute**. It is like the building will be shaken. You will be shaken. Look for the throne room during the conference for the **power shall release waves of healing and waves of miracles**. A new synergy will be released that will begin to bring the healers together. Not just in Hawaii but **globally for you are a royal priesthood in the hands of the Lord**.

### **A Shift to Lift the Fleet**

Rob Gross

Received October 18, 2023

On the 11<sup>th</sup> day of the 11<sup>th</sup> month of the 40<sup>th</sup> year, **the Lord instructed Moses to go into the land**. On **November 11 you will experience a visitation from heaven**. There is excitement in heaven over this for there is a **birthing of kingdom activity that will ripple forth from the Kingdom Institute all the way back to Australia and England and beyond**. The elements have been **prepared and fusion is about to take place**. This is **kingdom fusion**; it is not an illusion. It is the **real thing**. A kingdom portal will open, and new levels of power will be released for the Lord's apostolic fleet has been commissioned and new territory will be conquered. This is a shift that will lift the fleet of the Lord to ride the wave of apostolic glory. This is **only the beginning** of the story so buckle up and let the wind of the Lord's spirit blow into your sail and go, go, go. Jesus is the great commander of this fleet and new territory will be conquered.

## Kingdom Institute, Part 1

November 11, 2023

**Paul Knight:** Rejoice heartily! Rejoice! I have broken the pots that have bound your roots. I have shaken the soil that is dead. I have pulled you upwards to be beneath the shadow of My throne. Here you are secure. Here there is provision. Here there is more. I say to you do not come down! Do not come down! Do not come down! Stay in this place. Remain here. Do not come down to the field. Oh, no! Remain beneath the shadow of My throne and see what I will do; see what I will bring; see what I will show; see what I will destroy. I am calling My kingdom.

**Pastor Rob:** You are in the depths of His love. The Father loves each of you more than you will ever realize or understand. This you must know, first and foremost, let your love be unconditional. There is a battle cry in the land, not only in Hawaii, but also in Australia, England, and from every state that you have come from. For I hear the Lord saying, “I will no longer tolerate what has been going on in the world. I am coming with a fire.” I hear the Lord say, “It is the roar of Aslan. A wave of healing power will sweep across your respective venues, your respective lands from where you have come. God is going to place the miraculous in and through you. Do you believe this? Do you believe this? There is power for the hour — a gate of power and a gate of praise for the race ahead. Convergence has taken place right here, right now for this season. I will light up the land with My fire. The earth will move. The sons and daughters shall arise; shall be revealed. For this is a holy moment for you shall never pass this way again.”

Moses took off his shoes. We are at the burning bush. Do you feel led to kneel? That would be great if you feel led. But this is a holy moment. For the Lord is sending you to your respective Egypts to set the captives free. For the Lord is saying to the Pharaohs of the land, “Set My people free!”

Offshore, to my right and to my left, right offshore, waves are building. The waves are rolling in. Get ready for nuclear fission for the vision. Because people are going to face the reality that there is a valley of decision that they must choose the Lord in this hour.

**Joni Harada:** I see your hearts. I hear your cries. You, I have heard. Have you heard Me? Have you heard Me? Have you heard Me in the whisper? Have you heard Me in the wind? Have you heard Me when you were speaking to that friend, or to that family member? Have you heard Me? You are mine! I have called you to this place, for this time. It is time for you to move. It is time for you to take what I have given you. I have given you much. I have poured into you. It is time to move; time to step out. I love you. I will never leave you or forsake you.

But this is a call — a call to war! A call to action and it will take everything of you. I am with you. You are mine! You are My people. There are so many more who are still not mine yet. I love them. I love all of you. I want more. You are the ones I have equipped. You see, you feel, you discern, you touch! Go out! Touch those around you. Feel My love and share My love with them because they need you now.

The enemy is moving. Do you not see? He is moving. He is already implementing his plans. It is now time for us to implement My plans. My plans are greater. Do you not know? I am the strategist. I know all things. I see what he does. But I have put you in this time, in this place because each of you have a part of the strategy. Don't you understand? You are part of My strategy. That is why the enemy cannot know because I speak to you. He cannot hear what I say to you. But when you move, he then has to react because he does not know My heart. Because there are so many here who know Me and move, the enemy cannot be victorious. Do you not see?

I have given you a part of a bigger picture. You play an important part. You are all valuable. If not one of you does his part, the plans do not go as I have strategized. But that is all right, because there are always others. But you do not want to be someone who has been replaced. You want to be a part of this because I love you and I have called you. Please hear Me in the wind. Hear Me in the silence. Hear Me in the quiet. Hear Me. I love you! I will never forsake you. Never forsake you.

I will give you the strength and the courage to face the hardships of what you will face so be prepared. It will not be easy. It is not a simple plan. It will take everything in you. I am with you. Hear Me! Hear Me!

## Kingdom Institute, Part 2

November 11, 2023

**Brianna Lassiter:** [I think we should talk about the gate and what happened last night at Kingdom Institute. Danny was playing what sounded like a funeral dirge. Some people were commenting why wouldn't we play something a little peppier.]

Do you not know what this is? **This is the apostolic gate.** Do you not know who is here? **The Lord of the harvest is here,** and **He is equipping us for the harvest.** **Do you not understand why the Spirit of the fear of the Lord was here?** That is what we started with. Do you not understand **why we had to receive the charge from Paul, the apostle?** Do you consent to do the work? Do you consent? **Because once you say 'yes' there is no taking backsies.**

Once you go through the gate, you have to become like a grain of wheat. You have to fall on the ground and die because only then can the harvest come. When you walk through the gate, it is a total death. It is total death to yourself, your plans, your kingdom, and everything you ever wanted to do. It is a commitment to take these tools that the Lord of the harvest is giving us which we are now responsible to use. We are accountable to Him for what we will do with these mantles and these anointings, giftings, and calling that He has so graciously equipped us with.

This is His story now. We have no more control. As I went through the gate, I learned for myself because dying is hard, I am still somewhat selfish myself sometimes. I mourn because I felt the heart of God and the sorrow for why it has taken us this long to die; and His heart is for us to continue to die so we can live more for Him. Because that is the only way. It is the only way forward. We have to move with His Spirit that gives life. The flesh is no help at all, and we have built these selfish kingdoms and these fleshly churches. It is all burnt up and there is no going back.

**Paul Cox:** When Rob led the final prayer, I felt for the first time since creation the land accepted us. I could feel the blessings of the land.

Then I thought about the revival that Titus Coan had in the 1800's. 98% of the Hawaiians became Christians. The largest church in the world was in Hilo at that time with about 10,000 members.

In everything we walked through, I could feel the land is embracing this. We talked about the scripture in Romans 8:19 that all creation is groaning, waiting for the revelation of the sons of God. I wonder if something happened last night that we are finally at peace with the land. The blessings of the land came on us.

What is the motto of Hawaii? *Ua mau ke ea o ka aina i ka pono.* Aina is land. The motto means the life of the land is perpetuated in the righteousness of Jesus Christ.

**Dawn Lightfoot:** You are here in My presence because I brought you here. I funded you. I gave you the time off. I showed you this beautiful island. I am in your heart. You showed Me that by your devotion to Me. I see you on your knees. I hear your prayers. I answered your silent questions. We are here face-to-face. As you seek Me, I seek you. When you leave you will affect all those around you wherever you go. Where you show up, I show up. Open your hearts some more. Surrender! Surrender! Let go! Let go! Rise up! Rise up!

**Pastor Rob:** Get your surfboards and get ready to ride the waves of the Lord. These are not water waves. It is an earth shake for the land is quaking.

**Barbara Parker:** This is a personal observation of what I felt. When Paul said the literal building is shaking, I did not feel it right away. Then a few minutes later it is like it reached where I am throughout my senses, and this seismic event is going out from this center.

## Kingdom Institute, Part 3

November 11, 2023

**Pastor Rob:** This is the eleventh month of the fortieth year when the Lord directed the Israelites out of forty years of wandering in the wilderness and gave them instructions to begin the process of transition into the promised land. Are you ready to go? Are you ready to go? Are you ready to go?

There is a shift that will lift the body into glory, into grace and power. It is birthing. It is being birthed right now. Call it forth. Call it forth. It is birthing. It is birthing. It is birthing. Pray!

### THE VAULT

The Lord just showed me there is a vault in heaven that needs to be opened and I just got the key. The Lord is going to release the glory from the vault. It is the new wine. Come and dine with new wine. This is the vault. Come in.

Lift up your hands and let the King of glory come in. Come into Hawaii and go to Australia. Go to England. Go to every state. Go to California. Go to Florida. Go to New Jersey.

### THE BURNING BUSH

**Paul Cox:** Did you say something about the burning bush?

**Pastor Rob:** Yes.

**Paul Cox:** I am discerning we are in the burning bush right now. I also feel the fire on the wheels of the cherubim. Do you feel the burning bush? You can actually feel the flames going up.

**Pastor Rob:** I feel it in my chest. The burning bush is in us.

**Paul Cox:** [Word received through Pastor Rob on July 25, 2023.] Get ready for a major shift that will lift the Kingdom Institute out of the doldrums and into the fray. For the great Shepherd, the great I Am, is executing His plan to expand, build up, and train His army for battle and this is not prattle. This is the real deal for the great Shepherd shall extend His shepherd's crook and draw the first wave of healers into battle. For the battle at this point is within the church. It is the paradigm that will get shifted and shifted to be trained up to destroy the works of the enemy for the Lord shall begin to shift the present-day mindset that has been lodged within the church for decades.

The fires of Elijah shall burn in November. For the hand of the Lord shall release a burning fire that will go deeper than the mind and will burn up the heart for the burning man shall arise and light fire in the hearts of His people. Fire in His hand ignites, ignites, ignites. Ignition will pull down tradition. It is all about obedience and trust. Trust is a must for it is about the kingdom of God that is sure to come if My people will step out and trust the Lord.

**Michele King:** [I am having a vision, and I am discerning Moses and Elijah.] Release the fire that is holy! Stand in the pools of the water right now! Stand in the pools of the water right now. The great cloud of witnesses is here. Your healing begins now. The electricity is being released. It is going to ripple across the world. I so love the universe. It is to the universe I sent My Son. Burn with passion for Me and you will burn with passion for the most unlovable. I will give you the passion that will give you the compassion that will create the miracles. Greater works will you do! Greater works will you do! Greater works will you do! For My kingdom has come and My will be done!

**Paul Cox:** Here is the pool of Bethesda. The fire is in the water.

**Debra Barbour:** Rise up! E Ala E means rise up! E Ala E! Rise up!

**Joni Harada:** Rejoice! Rejoice! Rejoice! The Lord is here! The Lord is here! The Lord is here! You have His favor! You have His favor! Rejoice! Rejoice! Rejoice! You have His favor! Rejoice!

**Miguel Cardona:** Victory is at hand! Victory is at hand! No longer will we fight by the world. We will fight by My grace. Because My grace is sufficient for you. I will give you victory. Greater is He in you than he who is in the world. March on! March on! March on! Proclaim the victory in these islands! Proclaim the victory for the glory of the Lord! Let your will, Lord, be done on earth as it is in heaven. In Jesus' name!

## Kingdom Institute, Part 4

November 11, 2023

**Arlen Lung:** [I got this on October 28, 2023.]

Give ear to what I am about to say. For **gone are the days of pondering over and mulling over decisions that need to be made. Gone are the days of routine and normal. My eyes are looking to and fro for those who are battle ready, for those whose hearts are close to Mine! Be not afraid for I am your Commander. I hold the strategic plans in the palm of My hand.** No one else knows these plans, especially not your adversary, the devil himself.

**Listen to Me with a keen ear and a clean heart. Be sanctified unto Me. Walk through My cleansing fire and it shall not burn you. It shall strengthen you. Lift up your eyes to Me and know where your help comes from. Through chaos and calamity, I will be your shield and buckler. In the midst of the storm, I will be the calming wind. Stay the course and take heed that no one deceives you in this hour. For great are the plans I have for you, plans to prosper you and not to harm you, plans to give you hope and a future.**

**Pastor Rob:** The plans of the Lord are in my hands. Each of you have a sword. Take out your sword. In the name of the Father, in the name of the Son, in the name of the Holy Spirit, I commission you to go forth into your circles of influence, in the churches you are part of, in the small groups you are part of, and in the marketplace where you work. May the Lord use you powerfully. Do not contain for yourselves what you have received but give it away. Lord, I pray according to your divine plans. Release divine appointments for every person who is here to engage people at the airport, people in the planes, people everywhere.

## The Earth Quakes

Pastor Rob Gross

November 12, 2023

*[Jesus] came to Nazareth...*

*And as was his custom, he went to the synagogue on the Sabbath day, and he stood up to read. And the scroll of the prophet Isaiah was given to him.*

*He unrolled the scroll and found the place where it was written, "The Spirit of the Lord is upon me, because he has anointed me*

*to proclaim good news to the poor.*

*He has sent me to **proclaim liberty to the captives...**"*

(Luke 4:16-18 ESV)

We just finished our Kingdom Institute conference. It was **prophesied that an earthquake would hit the building. Yesterday the glory fell.** It was off the charts.

Some people left about 5:45 pm while others lingered to about 6:20. One of our Mountain View members, **Leah Chang, had left and while driving away, received a phone call from her cousin who is an inmate in Halawa prison, which is behind this building.**

**He said to her as she is driving, "Did you feel the earthquake?"**

Leah responded, "No, I did not feel the earthquake."

He said, "Some of the other **prisoners and I felt it because the walls actually shook. What is going on? I feel all this warmth.**"

Leah proceeded to **share with him what she learned over this weekend** and said, "Would you like to receive Jesus?"

He said, "Yes, I would."

**So, he did.**

I believe **something has begun.** Jesus said, "The Spirit of the Lord is with me to set the captives free."

**Leah's cousin is symbolic of a captive set free.**

This morning one of our intecessors, **Teresa Saquilon**, arrived early to pray and **was overwhelmed by the presence of the Lord in the room.** She said she felt another earthquake this morning.

(The Earth Quakes concludes.)

It is interesting and not surprising that **Barbara Parker shared she saw sparks flying out of the healing well.** So, we went to the well right there in the back corner of this building, and **she said, “I think the water is spreading.”** As we went back into the sanctuary, we saw **Debra Barbour and she said, “Rob, there is water all over the floor.”** We believe **His presence and feel His presence all over this place.**

I got online and discovered that sure enough **in Hilo, which is the most Eastern part of the Hawaiian Island chain, the Eastern gate, a 2.6 earthquake occurred.** It says in **Ephesians 2:6 we are seated with Christ is heavenly places.**

God is up to something. We dealt with some major strongholds in Hawaii this weekend. Ezekiel tells us: The glory of the Lord rises through the Eastern gate.

*As the glory of the LORD entered the temple by the gate facing east. (Ezekiel 43:4 ESV)*

Isaiah tells us the Lord is doing a new thing. Do we not perceive it?

*Remember not the former things,  
nor consider the things of old.  
Behold, I am doing a new thing;  
now it springs forth,  
do you not perceive it?  
(Isaiah 43:18-19 ESV)*

**Marisa Lee was birthing something new yesterday.** She couldn't even get off the ground. Someone saw a **golden egg over her.** I think that means **revival and/or resurrection power.**

The word tells us: *Oh that you would rend the heavens and come down, that the mountains might quake at your presence. (Isaiah 64:1 ESV)*

Let us pray: “O Lord, **rend the heavens and come down.** We want to meet with you this morning! **Holy Spirit, come down!**”

Let us **worship our Lord!**

## Refiner's Fire

TC Vegas

November 12, 2023

Some friends and I were doing a Bible study, and we came across Malachi 3:3, “*He will sit as a refiner and a purifier of silver.*”

The ladies were curious and wanted to know more. One actually **contacted a silversmith** who gave her an opportunity to watch his craft. When she looked, **she saw him holding a piece of silver in the fire waiting for it to heat up.** He explained **that in the process of refining silver,** he had to **hold the silver in the hottest part of the fire to burn away the impurities.**

She asked if it was true that he had to **keep his eyes on the silver the entire time.** He said, “Yes. If the silver was left one **second longer than it should be, it would be ruined.**”

“**How do you know when it's done?**” she asked him.

“Simple,” he replied. “**When I can see my image in it.**”

Recently I felt the Lord impress upon my heart the **cost of being a sold-out Christ-follower or His son or daughter.** We often ask the Lord to use us; send us; show us. Yet, when the **fire of life is turned up many times,** we are begging Him to get us out and **we cannot understand times when we are not instantly delivered.**

We can ask **Paul in the Bible about the three times he asked God to remove the thorn in his side, yet God did not do it.** Why? Because **He had a better thing for Paul to get by walking through the fiery process instead.**

Ask **Shadrach, Meshach, and Abednego.** God did not **deliver them from the fire. He delivered them in the fire.** In the refining process, our **pride, our shame, our stubbornness, our hard-heartedness, our misaligned thinking, our doubt is held over the fire so God can get those things out of us.** Then **He can put those things inside of us He wants.** Each time we ask God to walk us through the process this way means **our trust in Him becomes our sacrifice and our incense on the altar so we can become more like Jesus.**

Father, we thank you that **You love us too much to leave us the same. You know the plans You have for us. You know how to get us there. Help us to trust You** whether we are on the **mountain top or in the fire** because You are so worthy of everything we must walk through.

## Entering the Promised Land

Rob Gross

November 12, 2023

This is **graduation day!** You have **passed the test!**

This is **graduation day.** It is the **first stage of many stages to come** as you are **entering the Promised Land** for it has begun. The “it” is **revival that will lead to reformation.** Do you believe it? For a **great wind shall blow through the Hawaiian Islands** and many will cry, “**What must I do to be saved.**”

You are **on holy ground,** which means special. This is a **special day for you will never pass this way again.** Stand to attention. Stand to your feet. **Stand before Him who is the Alpha and Omega, the beginning and the end.**

**Stand before the great I Am, the Resurrection and the Life. Get ready to launch into your destinies, purposes, and platforms. Put on your fire suits right now for I am going to burn you up for Me and My cause.**

## YES, Lord!

November 12, 2023

[In **light of graduation day, we face a new beginning.** The Lord’s presence is so sweet and powerful. I heard an inner voice say these words.]

My dear beloved, my precious ones, **I love you with all My heart! I have created you for My purposes.** You have been **in My heart and in My hands** even before you were conceived in your mothers’ wombs.

Thank you for **spending time with Me, for caring about others, for listening and following Me.** This is just the **beginning of the journey I have for you. Stay close to Me. I am here. I will keep you and watch over you. Are you ready? I will take care of you and all your concerns.**

[Then I felt our question to the Lord is: “**What do you want me to do, Lord?**”

The answer: “**Whatever it is, the answer is “YES! YES, Lord!”**]

## Give Me All

[**Times are tough. Times are perilous.** Sometimes there is **this feeling of anxiousness.** We ask, “Oh, Lord, what is going to happen?”

I heard that this is the season that we **need to be putting on our armor every single day.** The **shield of faith** was one of the things I heard. We **must put on our shield of faith.**

The **enemy is coming in every single way he can,** sending out these **fiery darts to come and disrupt your peace, your faith, your ability to stand.** A couple of weeks ago I had a word. I did not get to release it, and I think it applies to this.]

**Rubble, rubble, toil, and trouble. Driving and striving is not thriving. My way is simple. My way is clear. Move forward with confidence and let go of fear.** For the **floodgates are open** and **My glory is coming down. My presence has descended;** it is swirling around. **Trouble and toil will not enter, only grace.** Let your eyes keep focus on the goal of this race.

And the **time in between will be full of miracles and wonders** as you take your **authority into the enemy’s camp to plunder. All that He took, take it back! It is yours; no more to be kept from you. I now open the doors.**

Your **worship reflects the posture of your heart.** So, give Me all, my dear children, give Me all, not just part. **Lose yourself in abandon. Lose yourself in space and time. For to lose yourself in My presence is to enter in and to find. So, worship Me always in all you do. Worship Me with abandon and your Spirit I will renew.**

## Expectation and the Fear of the Lord

Pastor Rob Gross  
November 19, 2023

**Expectation.** God is bringing revival to Hawaii. It is going to expand to reformation eventually. He is here.

I have been in revivals on the mainland and other countries. It was maybe in Argentina, as revival was raging, people were pushing through the front door just to get to the front seats to be closer to God's glory. There was so much hunger in these different revival spots.

This is the kind of thing that I would like to encourage you to develop – an excitement and expectation of chasing after God. Realize God is here! He is real! He wants to do something in your life and mine. The best is yet to come! We do not want to drag ourselves into worship. We want to come in with expectation.

**Fear.** I always taught that the fear of the Lord is the reverence worship of the Lord. As I studied further, my understanding of the fear of the Lord has been enhanced.

In Acts 5 Ananias and Sapphira are not handling God's money well, and both fell dead. [Ananias] *fell down and breathed his last. And great fear came upon all who heard of it.* (Acts 5:5 ESV)

The word fear comes from the word *phobos*, from which we get the word phobia literally meaning terrified.

When **revival** comes there is great **conviction of sin, and people fall to their knees and repent.** That is what we have been praying for. We have been going through years of renewal. **God is now leading us into revival and into reformation or revolution. Revolution** is when **one government replaces another.** When the **kingdom of God comes and replaces the shenanigans and all the junk** that is going on in our society, **we are going to see incredible things.** Amen!

We are on this **continuum of God doing new things.** The **fear of the Lord is going to fall today.**

**Paul was sensing the radiant glory.** The glory is going to fall here. Get ready!

**Paul Cox:** Last Saturday the **fire of God fell**, and we **experienced the burning bush, I Am.** Apostle Paul said, **“That I may know Him.”** The word *know* means to **know one through the five senses; to know and experience Him and the power of His resurrection.**

In 2010, Some friends and I were in Canada. We were exhausted and wanted to relax, so decided to go to the movie, *Salt*. The lead actress, Angelina Jolie, had been arrested and in chains. As she is walking up these steps, she spins around, takes the chains and wraps them around the evil man's throat, jumps over the sides of the stairs, and he is done. At that very moment I felt **the power of God land in the theater.** The film actually burned. The lights went on and I said, **“Does everyone know that God is here right now?” We were in His radiant glory! For about half an hour we were basking in His glory.**

That is what **I was feeling last Sunday – His radiant glory.** Hebrews 1:3 tells us: *He is the radiance of the glory of God and the exact imprint of his nature.*

**Jesus is also the man in linen.** A friend also told me he saw a burning man. **Jesus is the man in linen.** He is the **burning bush, I Am.** Daniel 10:5-8 tells us: *I lifted up my eyes and looked, and behold, a man clothed in linen, ... his face like the appearance of lightning, his eyes like flaming torches, his arms and legs like the gleam of burnished bronze, and the sound of his words like the sound of a multitude. And I, Daniel, alone saw the vision, for the men who were with me did not see the vision, but a great trembling fell upon them, and they fled to hide themselves. So I was left alone and saw this great vision, and no strength was left in me. My radiant appearance was fearfully changed, and I retained no strength.*

That is the **fear of the Lord when we see His radiant glory.**

Right now, we are with the **I Am. Jesus is the linen man; the man of radiant glory.**

Let us **pray: Jesus, I would like to discern you.** I would like to discern **your radiant glory.** I would like to discern you as **I Am, the burning bush.**

As we came closer to this place, we discerned His radiant glory. Rob and I have had a visitation from an angel, and the Lord told Rob, this is **not a visitation, I am now indwelling on this location.**

Some people left about 5:45 pm while others lingered to about 6:20. **I had left and while driving away, received a phone call from my cousin who is an inmate in Halawa prison, which is behind the MVCC building.**

**My cousin said to me, “Did you feel the earthquake?”**

I said, “No, I did not feel the earthquake.”

He said, “Some of the other **prisoners and I felt it because the walls were shaking. What is going on? I feel all this warmth.**”

I began to **share with him what I learned over this weekend** and said, “**Would you like to receive Jesus?**”

He said, “**Yes, I would.**”

**So, he did!**

**I called his mother, who is a believer, and we are praising and thanking God and rejoicing in the Lord!** I plan to **visit him soon** when I can get on the visitor list.

*The Spirit of the Lord is upon me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim liberty to the captives and recovering of sight to the blind, to set at liberty those who are oppressed to proclaim the year of the Lord’s favor. (Luke 4:18-19 ESV)*
