Welcome

It is our desire to share God's love with you through meaningful relationships, prayer, worship, mentoring, and God's Word. God has an amazing plan for your life and we want to help you realize that plan!

Psalm 16:11 says, "You make known to me the path of life; ..." So what is a pathway and why is it important? A pathway is a route, a way of access, a way of reaching or achieving something. Getting on The Pathway to Transformation will set you free from the "spirit of fear" and help you experience what it means to know God closely—to experience his unconditional love.

We invite you to take the first step in becoming a son or daughter of God by accepting the Lord Jesus Christ as your personal Savior. Pray:

Lord Jesus, I confess my need and desire to become your son/daughter. I recognize that you made the way for me by dying on the cross for my sin; the sin that has kept me separated from you. I now acknowledge and receive you as my Lord and Savior. In Jesus' name, amen.

If you would like to know more about what you prayed or desire to achieve greater freedom in your life, please speak to one of our Hospitality Team members.
